

Week08 – Error-correcting codes

George McNinch

2024-03-03

- [\[Codes from points in projective space - 2024-03-04\]](#)
- [\[Cyclic codes - 2024-03-06\]](#)

I actually started the “cyclic code” discussion on Monday 03-04, but it seemed convenient to just bundle notes on them as a single document.
